CASE NO. C20-454 MJP

ORDER GRANTING IN PART
MOTION TO CONTINUE TRIAL
AND PRETRIAL DEADLINES

1 This matter comes before the Court on Defendants' Unopposed Motion to Continue Trial
2 and Pretrial Deadlines. (Dkt. No. 278.) In the Motion, Defendants ask the Court to extend the
3 trial date from November 10, 2025 to December 8, 2025, to accommodate one of the attorneys
4 for Defendants who is undergoing back surgery on November 6, 2025 and will require at least
5 one week (or more) of rest. (Id. at 3.) Defendants also ask the Court to extend the remaining
6 pretrial deadlines "commensurate to the new trial date." (Id.) The Court finds good cause to
7 extend the trial date, in part. Given other matters already set for trial, the Court hereby RESETS
8 the trial to December 1, 2025 at 9:00 AM, which should accommodate the attorney's recovery.
9 The Court also finds good cause to amend the remaining pretrial deadlines, and sets the
10 following remaining deadlines: (1) Motions in Limine shall be filed by September 15, 2025; (2)
11 Agreed Pretrial Order shall be filed by October 13, 2025; (3) Trial briefs, proposed voir dire, and
12 proposed jury instructions shall be filed by October 13, 2025; and (4) the pretrial conference
13 shall remain unchanged and held on October 29, 2025 at 1:30 PM. On these terms, the Court
14 GRANTS in part the Motion.

15 The clerk is ordered to provide copies of this order to all counsel.

16 Dated August 29, 2025.
